Dr. Aaron DING

- Assistant Professor at TU Delft
  - Edge Computing and IoT

- Research Experience
  - TU Munich, Germany
  - Helsinki University, Finland
  - Columbia University, USA
  - Cambridge University, UK

Questions for MIR

- IoT networking at the edge
  - Communication choices beyond WiFi ?
  - Which goes first ? e.g., energy, security, performance

- Next steps for edge and IoT
  - Will there be any real deal ?
  - Any useful computational paradigm / pipeline ?
  - How compatible is edge analytics with the Cloud ?
