

Hartmut König

- **ZITiS¹ Munich**
 - Head of Research Lawful Interception (LI)
 - hartmut.koenig@zitis.bund.de
- **Before**
 - > 20 years Chair Computer Networks BTU Cottbus
→ Computer Networks & Cyber Security
- **Research Interests**
 - Reactive IT Security (IDS)
 - Network Security Monitoring
 - Critical Infrastructures
 - Machine Learning
 - Security Measures Based on SDN

 - 5G
 - Generation of Artificial LI Test Data

1) Central Agency for Information Technology in the Security Sector

Hartmut König

- **Research questions**
 - How can reactive IT measures support privacy ?
 - How can privacy and LI interests be designed so that they do not contradict each other?
