Nitinder Mohan `mohan@in.tum.de`

- Postdoctoral Researcher at Chair of Connected Mobility
- Ph.D. from University of Helsinki, Finland (2019)

Research Interests:
- Edge Computing Systems and Protocols
- Next-Generation Applications
- Internet Measurements
- Transport Protocols and Performance
- Distributed Ledgers and Blockchains

Topics for Discussion:
- Latency-critical networking in the Internet
- Satellite networking and its place in ecosystem
- Decentralization and Distributed Edge Computing
