TUM

Veronika Bauer

About Me

- B.Sc. Informatics at LMU
  M.Sc. Informatics at TUM

- Prospective PhD candidate at the
  Chair of Network Architectures and Services,
  starting October 2025

Research Interests

- Zk-SNARKs and their applications

- Trusted Execution Environments

- Network security

Veronika Bauer

Poster

Evaluation of zk-SNARKs inside TEEs

Open Questions

- How could zk-SNARK usage be made transparent and accessible for all users?
- What infrastructure would be necessary to facilitate zk-SNARK deployment?
- How can all added delays be minimized?
