

**The Susanne Klatten Endowed Chair for Teaching and Learning with Digital Media  
(School of Education at the Technical University of Munich)**

is offering at the earliest possible date a  
**Student or Research Assistant** (m/f) position  
(5 – 10h per week)

for an initial period of one semester with the prospect of extension available. Payment is made in accordance with the standard for student or research assistants.

**Tasks:**

- Support in the development and maintenance of digital learning environments
- Support in the technical implementation of investigations (e.g. creation of online surveys, programming of small experiments)

**Requirements:**

- Independent, precise, and structured work
- Affinity for digital teaching and learning media
- Audio, video and image editing
- Programming in at least one standard scripting language (e.g. PHP, JavaScript, Python)
- Ability to work in a team and good communication skills

We offer an interesting, well-equipped workplace at a renowned university and faculty.
